

Library Programs

As part of its mission, the East Morgan County Library District offers programs for citizens of all ages. Programs may be developed and presented by library staff or may be co-sponsored by the library and other community organizations or individuals.

Library programs are open to anyone wishing to attend. If space restrictions or program requirements limit the number of people who may attend, preference will be given to those who have registered in advance. Anyone attending a library sponsored or co-sponsored program is expected to adhere to the East Morgan County Library District's Behavior Policy.

Most library-sponsored programs will be presented without charge to the attendees. The only time a fee may be charged will be to offset the cost of purchased materials.

Presenters who do not charge for the program they provide will be given a small honorarium. Presenters may not directly solicit business before, during or after a program; however cards and brochures may be left for attendees to pick up.

Programs for Children: Story Time programs will be presented by library staff on a regular schedule throughout the year. Other programs for children and young adults will be planned, staff time and budget permitting, during school holidays and summer vacations.

Programs for Adults: Programs for adults will be scheduled throughout the year. Speakers from community groups and businesses may be invited to present programs on topics of general interest or of a timely nature.
